1 JOHNNY CAKE HILL, NEW BEDFORD

Rescue of The Giants

One of this season's heartwarming stories concerns the heroic efforts of approximately 200 volunteers who interrupted their daily lives, grabbed wet suits and drove down Cape Cod to Eastham to assist the marine biologists who were working to attempt to free the pod of black pilot whales who had apparently become disoriented and had grounded themselves on the beach and marsh of First Encounter Beach on the inside curve of Cape Cod Bay. The whales had driven themselves ashore and were trapped in the shallows and on the marsh. This rush of volunteers went into water which is frigid on the hottest day of summer and attempted to turn and push the 15 to 20 foot whales back to the bay's open water. For those firmly ashore, the humans cradled their heads to help keep the blow holes above water so the

with calf.

Heather Dionne, who took these photos, lives in Acushnet. She has had a long interest in whales. Growing up she had accompanied her father and his friend marine biologist Dr. Charles "Stormy" Mayo on many a whale watching trip. When news of the grounding was announced on the radio, she knew he would be there, so she put wet suit in her car and started for Eastham. She found not only him but many other concerned volunteers both on the scene and arriving. She was involved with an attempt to save a male and female, both of which were firmly beached, but young and in good condition. It was thought that if they could be transported to water to relieve their own weight, they could be saved. They were placed in a heavy stretcher, made by the New England Aquarium for a previous rescue, and then lifted by a front end loader and placed in a pick-up truck for the trip across the Cape to the Salt Pond which empties into Nauset Marsh. Since the whales are such family oriented creatures, it was hoped the two in company would be spared the trauma of being alone while they were revived and waited for the high tide which would have allowed them to reach open water by means of the flooded marsh. These hopes were dashed when the female became weaker and finally

England Aquarium in Boston.

The workers on the First Encounter Beach worked in shifts trying to push the animals still afloat back into open water on Cape Cod Bay. They sponged them down to keep them moist. They held the heads of others to try to keep them breathing, hoping that rising water would allow escape from the shore. It is interesting to note that in these efforts such a bond was formed that the humans named their animal patients.

No one knows what caused this latest beaching or the many others that have occurred before. It was reported that a pod of 1000 whales had been in the bay for 3 or 4 months feeding on squid. The heavy storm on December 3rd with high winds and heavy seas could have contributed to the mishap. Another possibility could have been sickness among the leaders and scientists' autopsies would attempt to determine a physical cause.

Whatever the cause, it speaks well for the human race that so many would interrupt their lives to subject themselves to hard labor and extreme discomfort to rescue these animals. It's a good feeling to be of the same species. You may put

had to be put to sleep. The young male was then shipped to the New

it that in a short 100 years we have enjoyed 180% in compass terms in our relations with the whales.

Thank You

The ANNUAL CHRISTMAS TREE LIGHTING for 1986 was a huge success. Contributing to this success were a number of people. First and foremost, the Selectmen wish to extend a personal "thank you" to Santa Claus and his Helpers for visiting all the boys and girls of Mattapoisett.

Special thank yous are extended to Betty Sears for donating the lovely tree; the Mattapoisett Inn, Romeo's Package Store and the Mattapoisett Woman's Club for scrumptious refreshments; Dennis Mahoney & Sons for donating the white Christmas lights, and Al Sears who was a tremendous help, not only in setting up the sound and lighting systems, but for his assistance in organizing last minute necessities.

There are many more people who devoted their time and efforts to assist in this event, and, at this time, we wish to acknowledge their help:

Manny Nunes, Highway Surveyor; Highway Department Personnel, Police and Fire Departments, Brownell Boatworks, Fairhaven Fire Department, Diane Perry and Center School Art Students, Louise Preissler and Brownie Troop #3, Gary Gaspar, Stan Ellis and the Old Hammondtown Mini-Band and Chorus, Russell Peirce, Selectman DeCosta, David Crook, Paul Kelley, Anthony Days, Al Sylvia and Meric Goddu.

Mattapoisett Selectmen's Meeting

DECEMBER 9, 1986-by VIRGINIA ARRAL

GROWTH STUDY COMMITTEE
GIVEN GO-AHEAD

The town's representatives to SRPEDD (Southeastern Regional Planning and Economic Development District) met with Selectmen last Tuesday to inform them of the newly formed Growth Study Committee and its intentions to seek SRPEDD's professional assistance in preparing an updated growth plan for the town.

Peter Kortright and William H. Matthews explained the town has 40 hours of alloted time and the growth committee would like to have assistance in preparing a charter for planning and recommendations from SRPEDD. Kortright said he is interested in Mattapoisett doing a bit more looking to the future. "We need technical assistance from SRPEDD like other area fast-growing towns have had. Some of their issues we could be facing in the coming years."

Matthews, who is also a Planning Board member, was a member of the committee preparing the Master Plan of 1965. In response to Selectman Frank Suzan's question, is this study committee part of the Planning Board charter to look to the future, Matthews replied, "This is a split issue. Originally, the Planning Board and Zoning Board were a joint board, then the Planning Board had its duties fractured. We are all volunteer workers. The town has been active in building growths what with hearings on subdivisions." Suzan and Matthews agreed the Planning

Board is really involved more with present activities than future plans. Matthews noted the total study report probably wouldn't be ready until the 1988 town meeting.

Kortright said "we need to consider what's down the road". Among the concerns for the committee will be: willing workers, committed representatives from town departments, citizens at large and business groups; to review current growth rates and zoning regulations; understand the information gathered over the past 20 years since the last Master Plan in comparison to what we are now; determine if the regulatory processes are in line and what the costs could be down the road for a growth plan.

Selectmen Chairman John DeCosta said there are many up-to-date study plans in town files, such as: school enrollment studies; the Mattapoisett River Valley study; Tighe and Bond's sewer study and many others. "All it needs is to put these studies together", DeCosta said. Executive Secretary Carol Adams gave Matthews and Kortright a list of the past and current studies.

When asked if he would head the committee, Kortright said that although he had some experience in this area, he wasn't sure he, being new in town, should be active in the planning. Selectmen agreed he would

In other business, Selectmen:

WERE INFORMED by the Board of Health it will employ a person full-time to work at the sanitary landfill at a salary of $6.57 per hour. The job description will be reviewed at the 1987 annual town meeting when the Personnel Board has had the opportunity to determine the duties. The new person should be on the job by early January.

In conjunction with the Finance Committee's approval, Selectmen granted the use of $25,900 from the hurricane relief funds to be used for the Tighe and Bond engineering contract to comply with the state DEQE compliance orders. Some of the funds will be used to bury all the stumps and debris created by Hurricane Gloria. The balance of the $30,800 engineering contract will be transferred from the Reserve Fund, as needed.

Selectmen extended their appreciation to the team effort of Highway Surveyor Manuel R. Nunes and his crew for helping out at the landfill.

Additionally, the Board of Health has agreed to an increased cost for

the town resident (1987-1988) two-year combination beach and landfill sticker from $1. to $5. per car, and 5000 pound trucks from $5. to $10. Donald C. Wood, Health Agent, said Town Counsel will review the cost of non-resident contractor permits and make an announcement later.

GAVE ITS APPROVAL to Shellfish Constable Brian Nunes to reopen the WEST side of Shining Tides, from the Stone Groin to the flagpole at Rycroft Point, effective December 20 for the taking of shellfish.

RECEIVED NOTICE from Police Chief James F. Moran that Officer Kevin Paulson has successfully completed the Basic Training Course for Police Officers, at the Barnstable Police Academy on December 5. This 13-week course started September 8 and is required of new police officers by the Massachusetts Criminal Justice Training Council.

Also received notice from the Personnel Board that the police chief's request for an additional full-time officer is not the Personnel Board's policy to be involved in the addition of safety personnel.

The Board recommended the Selectmen take the appropriate action. Selectmen agreed to put the chief's request on hold for further review.

ANNOUNCED that the Board of Water and Sewer Commissioners have awarded a contract to Tighe and Bond Engineers and that the construction phase of a sewer extension project involving Dexter Lane, Tobey Lane, and parts of Main Street and Beacon Street will commence this week.

William T. Nicholson, Superintendent, informed Selectmen that letters have been sent to residents of the streets involved and that someone from the engineers or the town sewer department will deliver a red "SEWER CARD" to this home. The purpose of this card is to identify the approximate location of the proposed sewer connection for the specific house. Nicholson noted in his letter that sewer extension work that is proceeding is important to Mattapoisett's long-range plans of protecting the environment and providing municipal sewer service to areas of the community where on-lot septic

REAPPOINTED Executive Secretary Carol Adams to a three-year appointment, contingent upon town meeting approval. She will be granted a $400 increase the first year, with a salary review each year thereafter. Her salary will increase from $22,050 to $22,450.

Selectman James F. Huntoon said, before a vote was taken on a one-year reappointment as had been taken in recent years, "I recommend the term of appointment be made three years, as it had been in earlier years." This was passed unanimously. All Selectmen agreed Carol "has done an outstanding job and has made herself available to all departments and kept a fine rapport with all residents".

MET BRIEFLY with State Representative John C. Bradford to discuss current legislation. He noted he voted against the landfill bill as he felt the wording emasculated our local Boards of Health. He added that there were some good points such as the funds for recycling and resource recovery.

Living Nativity, Rochester

A "living" nativity scene will be on view on the Rochester Green this Christmas season. The characters, Mary, Joseph, shepherds, wise men, and angels, will be portrayed by members of Rochester's First Congregational Church. Live animals will also be present around the manger. The nativity scene will be presented on the evenings of December 21, 22, 23 and 24 from 5:30 to 7:00 p.m. Viewers may drive in from Rounseville Road (Route 105) towards the church, and exit back onto Rounseville Road by the Town Hall.

Other activities at First Congregational Church (Rochester) include the following: December 21, 10:30 a.m., Christmas Family Worship Service with special music; 7:00 p.m., "Mary Had a Little Lamb" (puppet show for all ages) and carol singing; December 23, 7:00 p.m., Christmas caroling to shut-ins; December 24, 8:00 p.m., Family Christmas Eve Service.

WHITE GIFT PRESENTATION
BRING A FRIEND SUNDAY

On Sunday, December 21st, everyone attending the Mattapoisett Congregational Church is asked to bring a friend with them.

This Christmas Sunday Service at 10:30 a.m. will be followed by a White Gift Presentation in Reynard Hall. The Youth Fellowship members will be enacting the Nativity while members of the congregation present their white gifts. These gifts can be canned or boxed food wrapped in white paper. They are used to fill Christmas baskets for members of the community.

Please remember to bring a friend and a white gift to this special event.

MATTAPOISETT CONGREGATIONAL CHURCH TO HAVE EARLY CHRISTMAS EVE SERVICE

Christmas Eve services at the Mattapoisett Congregational Church will be held at 5:30 p.m. this year in answer to many requests from parents with young children and from elder citizens who find the traditional late service just too difficult to attend. All residents are invited to attend at the new early hour. Going to church together on Christmas Eve is a fine family tradition and a wonderful way to start the holiday on the right note.

Area Clergy, Choirs on Bay 8

"A Festival of Lessons & Carols", an ecumenical Christmas service with area clergy and choirs airs on American Cablesystems' local Channel, Bay 8, Tuesday, December 23rd, at 7:30 p.m.; Wednesday, December 24th, at 7:00 p.m.; and Christmas Day at noon.

Door Decorating Contest

JUST FIVE DAYS LEFT TO ENTER

Each prize is a generous gift from one of our own local restaurants, and they together total in the hundreds of dollars. Everyone is eligible to enter; don't miss the opportunity to win. All of the judges are hanging around waiting for the phone to ring; we need your name, address and the category in which you wish to enter; natural or artificial. Call Steve Flaherty, 758-4939; Russ Bailey, 758-9277; Bob Clarkson, 758-2718; or Randy Smith, 758-9369 before December 22nd.

The judges will be stomping

the Woman's Club, will be the focal point of the tour. Built in 1812 as a Tavern, it will be decorated by Laurie of Floral Accents in Marion.

The M[illegible]istorical Society, the ho[illegible]ls that belonged to Mrs. [illegible] Taber, will be decorated by [illegible]e's House of Flowers in Wareham.

Both the Congregational Church and the Chapel of St. Gabriel's Church, whose members are the decorators, will be opened, and a SUGARPLUM TEA will be held in the Vestry of the lovely 1841 Congregational Church during the tour.

St. Gabriel's Chapel, originally a Seminary, was renovated in the late 1870s to a Church.

The four homes include: The Russell Buddington's on South Street, the Newell Eames' home on Main Street, the Curtis Collison's on Pawketchatt Way, and the William

"SANTA'S INTERNATIONAL SLEIGHRIDE" PRESENTED BY THEATRE COMPANY

On Thursday, December 18th, the Renaissance Theatre Company of Connecticut will perform "Santa's International Sleighride" for the children at Center and Old Hammondtown Schools. The play explores holiday celebrations in other lands and the true meaning of Christmas.

This program is being funded by the Mattapoisett Parent-Teachers' Club. It has also been partially funded by the Massachusetts Institute for the Arts.

Interested persons are invited to attend: Center School at 10:30 a.m., and Old Hammondtown School, 1:30 p.m.

Men's Fellowship

ARCHAEOLOGICAL SLIDES TO BE SHOWN

Archaeological slides of the seaport city of the Ephesians will be shown to the St. Gabriel's Men's Fellowship breakfast at 8:30 a.m. on Sunday, December 21st, in the parish hall, Marion. The Turkish excavations, where the Virgin Mary may have once lived, will be shown by Phil and Jossy Taylor. Also, the Rev. Ernest Cockrell will discuss fact and fiction in the stories of the birth of Jesus.

Phil and Jossy Taylor are widely traveled with first-hand experience at Ephesus. Ernest Cockrell is Rector of St. Gabriel's Episcopal Church.

The Fellowship offers all men of the community an opportunity for friendly association with no obligation to participate in service projects. Breakfasts are prepared in turn by members. Donation is $2.00.

New Year's Dance

The Benjamin D. Cushing Post 2425, Veterans of Foreign Wars will hold a New Year Dance from 9 p.m. to 1 a.m. Wednesday, December 31st, at the VFW Pavilion, Route 6, Marion. Music will be by Jeff Dunn and the Texas Pride. Tickets are $6.00 and may be obtained by calling 748-2163, 295-9558 or 748-0791.

Santa Home Visits

An adult Santa will be visiting children in their homes in Marion, Mattapoisett and Rochester from December 14 through December 20. Call 758-3300 or 748-2340 to reserve your five minute visit. All proceeds benefit the American Field Service foreign student exchange program at ORRHS. Donation of $5.00 per family.

Council on Aging

ASSURANCE PROGRAM OFF TO GOOD START IN MATTAPOISETT

The Assurance Program, instituted by the Mattapoisett Police Department, is off to a fine start with participants finding much comfort in the daily check-in with the desk at the station. Others who would like the satisfaction of knowing that someone would be checking up on them in case of trouble may register for the program by calling the Council on Aging in the Town Hall any weekday morning from 9 to 12 noon. This is

an excellent effort by the Police Department and we urge home-bound or elderly persons to take advantage of it.

LIFELINE now available

The Emergency Response System, LIFELINE, is available to area residents. With LIFELINE, elderly and disabled persons can choose to live independently in their homes secure in the knowledge that help can be easily summoned.

When dialing the telephone for help may not be possible because of a fall or medical emergency, LIFELINE is your 24 hour a day link to assistance. Worn on your person, a lightweight, wireless transmitter signals help at the touch of a button. Wearing the portable help button permits you the freedom to move about your home or yard knowing help is at your fingertips.

Once a home unit has been attached to your telephone, you have a direct link to the Emergency Response Center any time, day or night. A push of the button will signal the center who, in turn, notifies a responder chosen by you ahead of time (usually a neighbor who has access to your home). If needed, the Response Center will contact your local police and/or ambulance service. LIFELINE works even if your phone is off the hook or during a power failure. Your home unit also includes a timer, which, if not reset, will notify the center. This ensures that even if you are unable to push your help but-

ton, assistance will be rendered.

LIFELINE for our community is sponsored by the Tobey Hospital Guild and coordinated by Tobey Hospital. Community residents Gene Pursley and Andrew Tiernan, retired telephone company workers, have volunteered their services to install LIFELINE units in Wareham, Bourne, Rochester, Marion, Mattapoisett, and Carver, the towns served by the Hospital.

The Mattapoisett Lions' Club will sponsor a Mattapoisett resident who has financial need and wishes to utilize the Lifeline. The sponsorship is up to a one year basis and is renewable.

To learn more about LIFELINE for yourself or a loved one, please call Tobey's LIFELINE coordinator, Barbara Smith, at 295-0880, extension 263, or the Public Relations Office at ex-

excellence in interscholastic athletics. This year ORR was selected as one of those schools receiving this certificate of merit. Everyone in the three towns should be proud of the work and dedication by our athletes and coaches in all of the athletic programs during the past year.

Playground Improvement

MORE HELP NEEDED

During the past few weeks we have sent all residences in Mattapoisett a letter requesting a donation to help repair and expand the Center School playground. In order for the project to be a success we need support from as much of the town as possible. To date we have received about $2,500 from the mailing. Our goal is $25,000.

Your donation is tax deductible this year, but perhaps not next year. Take advantage of this by mailing your donation by December 31st. The address is: Mattapoisett Playground Improvement Committee, Box 805, Mattapoisett, MA. 02739.

We plan to repair the existing equipment, install new slides,

award; Kris McCabe, coaches' award; Mark Callagan, MVP; Charlie Jefferson, Jeff Branco Memorial award.

Special recognition was also paid to this year's Freshman team who finished the season undefeated, an impressive record which included seven shut-outs.

ORR Math Team

ATLANTIC PACIFIC LEAGUE

The ORR Math Team ranks 4th in Massachusetts and 5th in New England after the first contest of the Atlantic-Pacific Mathematics League. ORR leads such schools as: North Andover, Central Catholic, Medford, Triton Regional, Foxboro and is only seven points behind number one, Phillips Academy.

Leading scorers for ORR include: Erik Morris (perfect score of 6), Greg Horan, Allison Stewart, Becky Crook, Amy Reardon, Julie Holden and Vicky Hiller. There are five remaining contests, and according to Mr. Cameron, Math Team advisor, "We usually have a slow start on these contests, but finish very well. I would expect the same this year. Erik Morris may be the first ORR student to have a perfect score for the season. He has the ability, but the six questions in thirty minutes format puts a lot of pressure on a student."

The second contest is scheduled for later this month.

N.E. MATHEMATICS LEAGUE

ORR's leading scorers: Erik Morris (a perfect score of 6), Greg Horan, Allison Stewart, Amy Reardon, Julie Holden, Vicky Hiller and Becky Crook. "The students are veterans of math competitions and expect to do well. ORR has been the top scoring school in Plymouth County for the past five years and nothing should change this year. These students practice daily with similar problems collected over the years and they demand perfection from themselves in every competition. They have pride in their own accomplishments and pride in their school. These students know they can compete in mathematics with any school, locally, regionally or nationally--they've been doing it for years", said Mr. Cameron.

The next competition is later this month.

The ORR Math Team finished in a tie for 11th place after the first contest of the New England Mathematics League. "With 243 schools throughout New England competing, ORR stands in a very good position after only one meet," according to Mr. Cameron, Math Team Advisor.

Beeghly. ORR is seeking its fourth consecutive league championship and its fourth consecutive undefeated season. This was the 37th consecutive victory for ORR over the past three plus years.

This year's team has only three returning players from last year, but the newcomers are enthusiastic and willing to learn. The team is more concerned with keeping its unbeaten streak alive with the league championshop being secondary. "Old Rochester won the State Chess Championship in 1985, but will need a great deal of work in order to recapture that title," according to Mr. Cameron, Chess Team advisor for ORR. "My number one problem is to make sure the players don't take their opponents too lightly --- there are upsets in chess matches."

From O.R.R.

The Old Rochester Regional High School U.S. History and Government students are taking an active part in the legislative process this year. In studying the U.S. and Massachusetts Constitutions, sophomores enrolled in Mrs. O'Brien's history course composed their own bills. Two sections of U.S. History debated their own proposed legislation during a two-day class activity, simulating the federal/state legislative assemblies. Although very few bills survived intensive committee and floor debate, two successful bills were selected by the students for presentation to the

Massachusetts General Court.

Heather Ruel and Tracey Tirrell acted as student liaisons and contacted Representative John Bradford who kindly agreed to file both bills in the Massachusetts House of Representatives. Mindful of the December 3rd filing deadline, students presented formal copies of their bills to Rep. Bradford in November. Rep. Bradford has directed the students in the correct procedure in filing their proposals.

Student sponsors Thomas Simpson and Laura Taft are collecting research and evidence to support their proposals, assisted by fellow students. Rep. Bradford will notify the student sponsors of the dates for the committee hearings on their bills and has invited the students to appear during committee hearings to present evidence on behalf of their proposals.

In addition, Rep. Bradford has initiated a program whereby one or two students may accompany him to the State House during the 1987 session of the General Court. Response to Rep. Bradford's invitation has been overwhelming and the first visits will begin in February.

With the encouragement and participation of Rep. Bradford, U.S. History students are enjoying a unique opportunity to play an active part in the legislative process.

DECORATED FOR THE CHRISTMAS SEASON

Mattapoisett's Town Hall is wearing green for the season. With or without the decoration, the Town Hall has been restored to a very handsome condition. Thanks to the foresight and efforts of a number of Boards of Selectmen, including the present, the Town Hall has been modernized inside to comfortably house all of the town offices. Following the interior work, reshingling and restoration of the exterior has done wonders to tighten and renew the appearance of the building. We believe that is rather unique to see government approach a problem with the same method and economy that the individual would use. The work has been done over a number of years to accomplish much with the proper regard for the taxpayers' ability to finance all of the much needed structural improvements and interior comforts of which we are proud. The building functions well and now will continue to function as well in the foreseeable future. Congratulations are in order for government of the grass roots that has the best interest of the public very much in mind. DCJ photo.

Letter to the Editor

On behalf of the MMR Tri-Town "Dollars for Scholars" Executive Board I wish to express our heartfelt thanks to the residents of Marion, Mattapoisett, and Rochester for their support of our annual Phone-a-Thon. Through the generosity of the community MMR raised over $7,000 this year.

MMR awards scholarships to high school seniors, students in college, and re-entry students who reside in the tri-town area. Since 1983 over $60,000 has been given in scholarships by MMR. The success of the program is the direct result of the unselfish support, in time and money, that has come from the people of Marion, Mattapoisett, and Rochester.

The MMR Executive Board wishes the residents of the tri-town area a very happy, healthy holiday season.

William Muldoon, Jr.
President, MMR

Use of Recreational Vehicles

SAFETY PROGRAM GIVEN AT
ORR JUNIOR HIGH BY OFFICER ENNIS
by VIRGINIA ARRAL

A safety program designed to instruct young people in ths proper use of all-terrain recreation vehicles (ATV) was presented December 5th to 7th and 8th grade students at Old Rochester Regional Junior High School by Mattapoisett Police Safety Officer R. Stanley Ennis and Sgt. Larry Chenier of the Hyannis office of the State Division of the Department of Fisheries, Wildlife, and Environmental Law Enforcement.

Officer Ennis saw the need for the program after Mattapoisett experienced a fatality of a young man who was riding a recreational vehicle, and contacted the state for a spokesman on the subject. State figures show 25 people died in 1986 as a direct result of ATV accidents and there is an extremely high injury rate, Ennis said.

The officers spoke to four classes at 1½ hours each, and a consensus of the 400 students showed boys and girls evenly were users of recreation vehicles. Of the 400 students, 70 to 75 percent actually have used

operated at Myles Standish and other state parks, in specific areas.

Officer Ennis said there are 10 state laws governing these recreational vehicles, and a question showed most of the students knew nothing about the laws. He said copies of the laws are available at the police station.

Among the most important laws are: a helmet is required when operating an ATV, even on private property; the vehicle must be registered with a valid sticker attached; an operator under the age of 14 must be directly supervised by an adult; permission must be obtained from the landowner before operating on private property, a fine of not more than $250. can be imposed.

Officer Ennis said a motor boat safety program is planned for February for the general public as well as for students.

Excuse me ... but ...

CAN WE TALK?!!

IT'S THAT TIME OF YEAR AND I HEAR YOU HAVEN'T FINISHED YOUR SHOPPING YET...OR EVEN BEGUN!

Are you the kind of person ... you know ... who HAS to find the right gift for those friends who seem to have everything ... don't you love them ...? Do you TRY TO BE CREATIVE AND IMAGINATIVE?

Well, I hear that new SPECIALTY SHOP IN MATTAPOISETT called

La Ette's

has the most unusual clothing and gift items. They have YOUNG JUNIORS to MISSES, Funwear and Special Occasion, ALL IN NATURAL FIBERS. Why, they even carry GUNNE SAX! Their clothes are, well ... creative; they let you make your own statement, something you would like to do, but might not have the nerve ... you know ... be a free spirit.

CAN YOU BELIEVE THEY HAVE A

SALE GOING ON

BEFORE THE HOLIDAYS ...

20% TO 50% OFF SELECTED ITEMS

I JUST CAN'T BELIEVE IT!

I also hear they have the most interesting gift items for your home or just about everyone on your list. For example those friends of yours .. you know .. they're always bragging about their gardens. Well, LA ETTE'S has great garden sculpture pieces- they can be used indoors, too! Or how about that man on your list, the one who loves a challenge ... La Ette's has mind bending Tavern Puzzles, also holiday silk ties and bow ties.

Well, I could go on and on about La Ette's, but I'm going to have to see for myself.

WHAT ARE YOU WAITING FOR ... CHRISTMAS ... IT'S ALMOST HERE ... AND EVERYTHING WILL BE GONE! See you there ... at LA ETTE'S OF MATTAPOISETT, OF COURSE!

"A FUN PLACE TO SHOP FOR THE CREATIVE MIND"

AWARDED GRANT

Old Colony Regional Vocational Technical High School was recently awarded a $25,000.00 competitive Grant under the Public School Improvement Act, Chapter 188.

The Grant, awarded for the replacement of Vocational Equipment, will be utilized to purchase a computerized wheel alignment and balance system for the Automotive Shop. The system will be equipped with the latest microprocessor computer technology and will provide the Old Colony Automotive students the opportunity to be trained on the latest state-of-the-art automotive equipment.

The Automotive Department at Old Colony is the only Vocational High School program in Massachusetts to hold the National Automotive Technicians Education Foundation Certification. The addition of the computerized equipment will further enhance an already Nationally Certified Program.

Leadership Conference

Sharon Hartley, Tom Grondski, Debbie Valentine, and Phyllis Kantarowski, all presidents of teachers' associations in the Old Rochester Regional School System, were among 143 teacher leaders attending an all-day conference on "Leadership Trends in Edu-

cation" on Tuesday, November 18th, in Worcester.

The statewide conference was sponsored by the Massachusetts Teachers' Association (MTA), and was open to presidents of local associations.

Keynote speakers were Nancy Finkelstein, MTA President, who spoke about "Major Issues and Educational Trends", and Dr. Sally Dias, president of the Massachusetts Association of School Superintendents. Dr. Dias' topic was "An Agenda for Cooperation", focusing on how teachers and administrators can cooperate to enhance education.

In addition to speakers, workshops were also held on Teacher/Administrator Evaluation; Effective Media Interviewing Techniques; Management of Local Teacher Associations; Public Speaking; and Stress Management for Teachers.

proclaiming the Messiah's birth, at the 7:00 p.m. Christmas Eve candlelight service.

The bows are to be placed on mailboxes Christmas day, sharing the "good news" with the community. They will remain there through the 12 days of Christmastide, and be removed on the eve of Epiphany, January 4th.

Christmas Concert

AT UNITARIAN MEMORIAL CHURCH

The annual Christmas Concert by the choir of the Unitarian Memorial Church, Fairhaven will be presented in the church sanctuary at 7 p.m. on Sunday, December 21st. Herbert H. Bowker is choirmaster and organist. Everyone is welcome. There is no admission charge, but a free-will offering will be taken during the intermission.

There will be a reception and refreshments in the Parish House following the concert. The annual event is sponsored by the church's Creative Arts Council.

The concert program is as follows:

"O Come, O Come, Emanuel"----------
13th Century Plainsong
"Hasten Swiftly, Hasten Swiftly"-----
Kountz

operator for help related to long distance calling will dial "00". This new dialing procedure affects only those callers who need to talk to an operator for long distance dialing assistance, credit for misdialed calls and rate and area code information.

Most calling procedures remain the same, however, because the majority of customer will continue to dial "0" plus area code and phone number to reach AT&T operators for assistance with AT&T card calls, collect, person-to-person, and third-number billing calls.

"We expect the effect on callers to be minimal since most customers already dial 0 + area code + number for their operator assisted calls," said Cecelia Clickner, operator services manager in Brockton. "Like every other change, this one will take a little time to get used to."

For example, Mattapoisett callers who want to know the cost of a five-minute call to Springfield or how to dial direct to Paris, France, dial "0" today and reach an AT&T operator. Beginning December 17 callers will dial "00".

AT&T operators will continue to assist eastern Massachusetts customers with long distance calls to the 413 area code, other states and foreign countries. Local telephone company operators will handle only calls within the 617 area code.

Since the breakup of the Bell System, AT&T has been handling local operator assistance calls under a contractual arrangement with the local telephone company. The divestiture agreement permits the local phone company to request the return of operator services once equipment modifications are made.

PHOTOGRAPHIC EXHIBITION

A photographic exhibition is now on display at the Fairbank, National Bank of Fairhaven, at their main office on 75 Huttleston Avenue. The exhibition features 20 16" x 20" framed photographs, printed from glass plate negatives taken around the turn of the 19th century. They will be on display throughout the holiday season and can be viewed by the public during regular banking hours.

The photographs appear in A Picture History of Fairhaven.

Subjects of the photographs include an outing at Fort Phoenix, interior of the Thatcher Glass Company, street and rural scenes, waterfront scenes, and views of people and events in town.

Safety Tips for Motorists

Holiday shopping and heavy traffic create a dangerous conbination, warns AAA Massachusetts.

"Rushed and distracted shoppers in busy downtown areas and at shopping center and mall parking lots create special traffic safety hazards dur-

ing the last few weeks before Christmas and Chanukah, adding to the higher accident rate during December," said Caroline J. Humoff, Manager of Safety Services for AAA Massachusetts.

Here are tips for holiday shoppers:

* Avoid window shopping when behind the wheel of your car, no matter how festive the displays and shop windows.

* Don't pile holiday packages so high in the back seat of your car that the rear view window is blocked.

* Remain alert for traffic lights. Don't mistake brightly colored Christmas lights for traffic lights.

* Watch out for bundle-loaded pedestrians. Many shoppers are so loaded down with packages that their vision is obscured and movements restricted when they cross the street.

* Plan your shopping trip so that you can avoid last-minute rushing if possible. Hurry and carelessness go hand-in-hand.

LaMaze Classes

The next series of Lamaze Classes at Tobey Hospital will be held at the Hospital library, beginning on Wednesday, January 21st. Sessions are held for six consecutive weeks and begin at 7:30 p.m. For further information or to register, please call Donna Sasson, Coordinator, 759-3874.

Ham and Bean Supper

The Wesley United Methodist Church, 462 Main Street, Wareham will be serving its regular monthly public ham and bean supper this Saturday, December 20th, at 5:30 p.m. Donation is $4.50; children, $2.50.

Also, there will be crafts available for last minute Christmas giving, and home-baked foods.

Holiday Food Collection

"Answer the Need", the holiday food collection program for the needy sponsored by Plymouth Savings Bank, will continue until Christmas, according to Richard D. Carroll, vice president of marketing at the Bank.

"Food donated by Plymouth Savings Bank customers and friends at the bank's nine locations was used in Thanksgiving baskets throughout southeastern Massachusetts," said Carroll. "While the agencies distributing the food are grateful, they remind us of the critical need that exists all winter long. By continuing our collection program until Christmas, we are encouraging everyone to help build the supplies."

Food collection in Mattapoisett is being distributed by St. Anthony's Church.

TOWN OF ROCHESTER, MASSACHUSETTS
NOTICE

Notice is hereby given that a Public Hearing will be held commencing at 7:15 P.M. on December 22, 1986 in the Town Hall, on the following application for Earth Removal for the purposes stated therein:

Chesley T. Murphy of Rochester, Mass. is requesting a permit for the removal of 1,000 yards of soil, to clear land for a new building and salvage yard, from a parcel of land shown on Assessors' Maps as Plan 10, Lot 3.

BOARD OF SELECTMEN

December 10, 17, 1986

LEGAL ADVERTISEMENTS

TOWN OF MATTAPOISETT, MASSACHUSETTS
BOARD OF APPEALS

Notice is hereby given that the Mattapoisett Board of Appeals will be holding Public Hearings on the following applications:

1. Petition of William B. and Janet R. Muldoon, Jr., 16 Shipyard Lane, re property owned by them at 16 Shipyard Lane. Said property being further shown as Lot 75 on Plot 8 of the Mattapoisett Assessors' records. Petitioner is requesting a Special Permit under Sec. V.A.5.a for operation of a small private nursery school in a portion of Petitioner's home. Hearing will be held in the Conference Room of the Town Hall at 7:00 p.m. on Monday, December 29, 1986.

2. Petition of Milton H. and Debra Reynolds, 825 Middle Road, Acushnet & James E. Prueitt, 73 Fairhaven Road re property at 73 Fairhaven Road. Said property being further shown as Lot 121 on Plot 17 of the Mattapoisett Assessors' records. Petitioner is requesting a Special Permit 1.) To change the use under Section III.A.1 to that of hairdresser, 2.) To extend the size of building. Hearing will be held in the Conference Room of the Town Hall at 7:30 p.m. on Monday, December 29, 1986.

3. Petition of Neal and June Clay, 24 Winslow Road, Westwood, MA. re property owned by them at 10 Ine Road (Point Connett). Petitioners are requesting a Special Permit to construct a 10' x 23' addition and deck. Property is further shown as being Lot 59 on Plot 2A of the Mattapoisett Assessors' records. Hearing will be held in the Conference Room of the Town Hall at 8:00 p.m. on Monday, December 29, 1986.

Complete plans and petitions as filed are available for inspection during normal office hours in the Office of the Town Clerk.

New England Contradance

A New England Contradance will be held on Saturday, December 27th, at the Rochester Grange Hall, Hartley Road, Rochester, from 8 to 11 p.m. Geese in the Bog will perform traditional and original contradance music. Instruction and calling will be provided by Steve Zakon of Nelson, New Hampshire. All dances are taught and beginners of all ages are welcome. Come alone or with friends - a partner isn't necessary.

This dance is held regularly, every fourth Saturday of the month, and is funded in part by the Massachusetts Arts Lottery Council through the Rochester Arts Council.

For additional information call 763-3410.

Y.M.C.A.

BASKETBALL LEAGUES

The Greater New Bedford YMCA is now accepting registration for its youth and adult basketball leagues beginning in January. The youth basketball league is open to boys and girls in kindergarten through 8th grades and will be held on Saturday afternoons. The adult league will have an open division for men and women 18 years and older and a slo-break division for 25 years and older. The adult league games will be held at the YMCA on Sunday evenings.

The YMCA's Youth Basketball League is designed for boys and girls to have fun and enjoy playing basketball while putting winning in perspective, learning the importance of team work and developing positive attitudes. The YMCA believes strongly that competition needs to be put into proper perspective in youth sports programs. A key foundation of the Youth Basketball Program is the fact that every child plays and participates equally.

For more information call the YMCA at 997-0734.

A Festival of Homes

You're invited to spend Christmas in Old New Bedford on Sunday, December 21st, when eight of New Bedford's finest residences will open their doors for The New Bedford Glass Museum's "Festival of Homes".

The eight Festival homes will be open to ticket holders from three until seven o'clock. Each home has been selected for the Festival for its quality of architecture and unique style of Christmas celebration. The houses range in date from 1857 to 1906, and in styles

Fleur", employs the difficult "pate-de-verre" technique of glass making, similar to the lost wax method of metal casting. Anti-Fleur was designed by Dali, circa 1970, along with a companion work, Fleur. Both were fabricated by the Daum Glass Works in Nancy, France.

Anti-Fleur has been lent to the Glass Museum anonymously from a private collection.

Dali became internationally famous in the 1920s as a leader of the Surrealist Movement. He is primarily known as a painter, and his most famous work, The Persistence of Memory, employed a motif of dripping watches as a symbol of man's subconscious sense of time.

"Anti-Fleur is essentially a sensuous object," commented Museum Director Janie Chester Young. "Once you've seen it, one is surprised that Dali took so long to discover the glass medium. Its fluidity is a perfect vehicle for Dali's symbolism and eroticism. Anti-Fleur is a monumental work by the artist."

Anti-Fleur can be seen during gallery hours through December 30th. The New Bedford Glass Museum is open Monday through Saturday, 1 to 5 p.m.;

New Bedford Library

ADULT FILM PROGRAM

My Man Godfrey will be the film shown December 17th and 18th at the New Bedford Public Library. A wealthy businessman's daughter, portrayed by Carole Lombard, brings home a tramp who becomes the butler; also stars William Powell and Alice Brady.

Films are shown weekly on Wednesday at the Howland-Green Branch Library at 2:00 p.m., and on Thursday at the Main Branch at 2:00 p.m. Admission is always free and Howland-Green is handicapped-accessible.

For more information contact Phillip Dimor at 999-6291, or drop in any Wednesday or Thursday. We hope to see you there!

Faeries: this animated tale concerns the hunter Oisin who is taken to the King of the Faeries. He is asked by the King to battle an evil spirit before the Faeries are destroyed; a 1981 film, 25 minutes.

Nutcracker: a delightful animated short version of Hoffman's classic fairy tale of a prince imprisoned in a wooden nutcracker, and a maid. The prince leads a battle against the evil Mouse King with toys and Christmas ornaments; a 1978 film. 26 minutes.

SANTA TO VISIT CHILDREN AT DOWNTOWN LIBRARY-NEW BEDFORD

Santa invites children to visit him at the New Bedford Free Public Library downtown on Saturday from 1 to 3 p.m.

Hearing-impaired children may talk with Santa at the downtown New Bedford Free Public Library on Tuesday, December 23rd, from 1 to 3 p.m. Santa will hear their Christmas wishes and speak with them in American sign language.

For pictures, parents are asked to bring their own cameras.

The library is located at 613 Pleasant Street, New Bedford.

Children's Museum

HOLIDAY SCHOOL BREAK PROGRAMS

Beginning at the Children's Museum on December 20th we will offer the first of 17 programs to help make your school vacation days more enjoyable.

Saturday, December 20th, from 10:30 to 11:30 a.m. we will have a parent-child workshop, "SOCK SNOWPERSON DOLL" for 3-5 year olds. We'll use tube socks to make an adorable stuffed snow doll. Cost of this program is $5. per team member; $6. per team non-members. Pre-registration is required.

Also on the 20th we will be making "CHRISTMAS CARD ORNAMENTS" from old Christmas cards. This program is open to all and free with Museum admission.

On Sunday, December 21st, is our "HOLLY-DAYS CELEBRATION" from 2-4 p.m. This is the Museum's largest celebration during the holidays. Come and talk with Santa, visit our talking Tree. The wonderful sounds and melodies of the Dartmouth Community Band will drift down the Museum and we can all join in and have a grand sing-along. We will have

QUESTION:

HOW DO EMPLOYEES & COMPANIES BENEFIT FROM CHIROPRACTIC SPINAL MANIPULATION?

ANSWER: With higher performance and more productivity.

When a worker is sidelined beceuse of a health problem, everybody loses.

The company loses e valuable employee, which could mean a loss of production. The worker loses self-confidence in addition to suffering pain and disability The family unit loses part of its income, so important to maintaining a standard of living. The union loses part of its health and welfere fund in payments and other benefits

Obviously, there is no wey of eliminating on-the-job and off-the-job injuries entirely. But it would be helpful end less costly for all if time for recuperation could be reduced

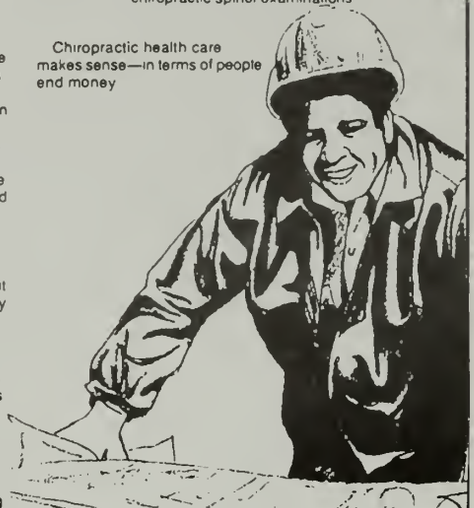
Chiropractic can reduce time off. In fact, comparative studies of Workers' Compensation cases from a number of states prove chiropractic's effectiveness in getting injured employees on their feet faster.

Imegine the advanteges of eliminating hospitelizetion. Being treated on an out-care basis. Not being subjected to the hazards and expenses of drugs and surgery.

Here's what you can do:

- Get to know the chiropractic health method and its benefits.
- Meke chiropractic services available to employees in any health and welfere or insurance program with which you are associated. Insist upon it
- Recognize the importance of structural health. One of the best safeguards against illness and diseese is to practice a progrem of health care which includes chiropractic spinel examinations

Chiropractic health care makes sense—in terms of people end money



Dr. Jean E. Peelor

Chiropractic Physician

34 Barstow St., Mattapoisett 758-3711

cookies, drinks and a wonderful celebration of the joys of this time of the year. We look forward to seeing one and all.

December 22nd will offer "SNOW FLOWERS" from 1:30-2:30 for ages 3-5. This is a parent/child workshop. Come and learn about bulbs and plant "paper whites" in a pot. Give it as a gift or watch it grow into a beautiful winter bouquet.

HAPPY HOLIDAYS!

763-2711 479 Snipatuit Rd., Rochester

Cost of this program is $3. per team for members, and $4. for non-members. Pre-registration is required.

Also on the 22nd we have a repeat of "GINGERBREAD HOUSES I AND II". I is offered from 12:30-2 p.m. as a parent/child workshop for 3-6 year olds. Cost is $3. a team for members and $4. non-members. II is offered from 2:30 to 4 for children 7 years old and up and the cost is the same. Pre-registration required.

December 23rd we offer "CLIK-CLACKS" for ages 9 and up from 1:30 to 3:00 p.m. Make a modern version of an old-fashioned toy. This is a great gift idea. Cost of this workshop is $2.50 members, and $3.50 for non-members.

On Wednesday, December 24th, is CHRISTMAS STARS from 10:30 to 12 noon. Come make your own planetarium, learn about winter constellations and about what the "Star of Bethlehem" may have been. Please bring a flashlight. Ages 7 and up, the cost is $1. for members and $1.50 for non-members. Pre-registration is required.

On Friday, December 28th, the program is "SPACE TOYS" from 2 to 3:30 p.m. Bring in your favorite space

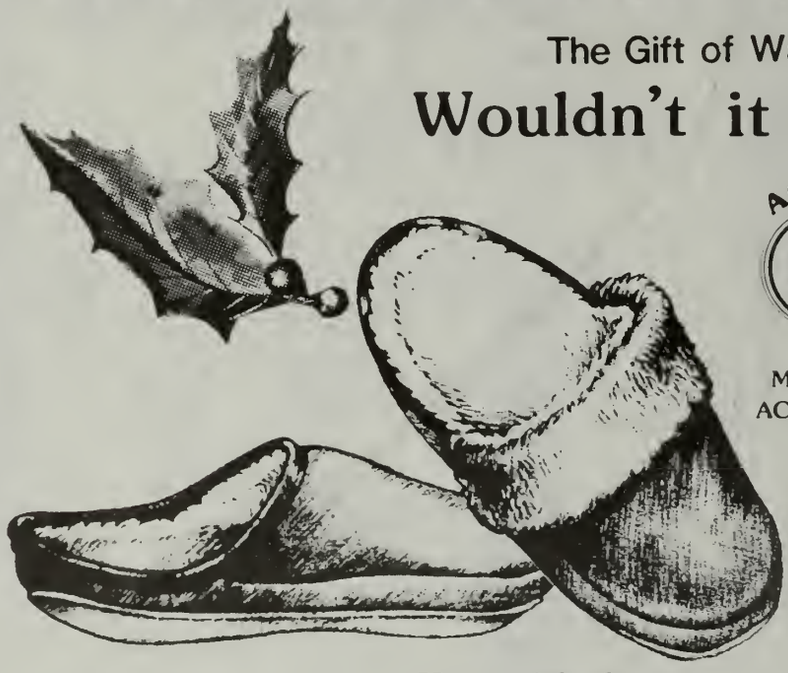
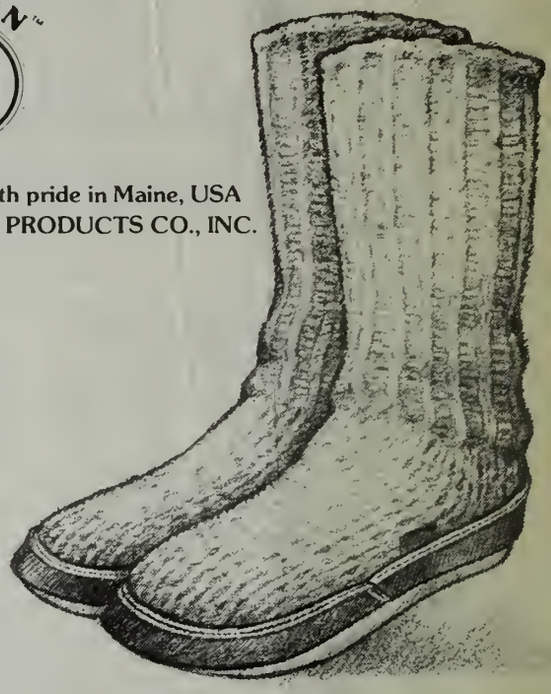
The Gift of Warm Feet ...

Wouldn't it be Loverly?



ACORN™

Made with pride in Maine, USA
ACORN™ PRODUCTS CO., INC.

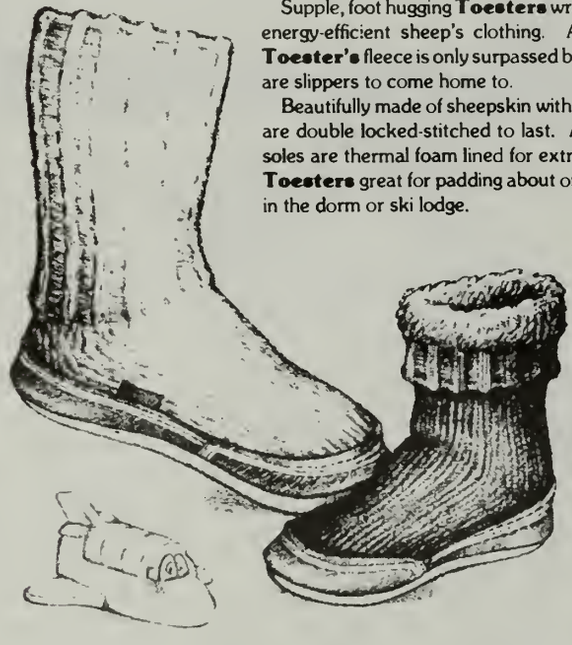


Heat with sheep

Designed to banish cold feet forever, **ACORN TOESTERS™** keep feet toasty warm the all natural way.

Supple, foot hugging **Toesters** wrap cold feet in quick-heating, energy-efficient sheep's clothing. And the instant warmth of **Toester's** fleece is only surpassed by their plush comfort...these are slippers to come home to.

Beautifully made of sheepskin with the wool left on, **Toesters** are double locked-stitched to last. And rugged steerhide outer soles are thermal foam lined for extra cushioning. Which makes **Toesters** great for padding about on cold floors...or for relaxing in the dorm or ski lodge.



Even astronauts warm their feet with Acorns™

America's astronauts know what earthlings have known for years...that **Acorns** are something very special.

ACORN RAGG WOOL™ Slipper Socks...the original and the best ...are now the standard NASA slipper, worn by astronauts on shuttle missions into outer space.

The only slipper sock to earn the NASA quality stamp of approval, **Acorns** keep feet cozy and warm and happy...and they're built to last, with a supple leather side and sole double lock-stitched to the sock, and a thermal foam innersole for warm, cushiony comfort. And best of all, **Acorns** work their foot-warming magic in orbit or out...at home, at the ski lodge, in the dorm, at the campsite, in the car...or on a shuttle mission into outer space.

ACORN™

Old fashioned quality goes into orbit

ACORN SHUTTLES™...the slipper sock to keep younger feet warm and cozy and happy...are patterned after the Acorn slipper socks now worn by America's astronauts on shuttle missions into outer space.

Which means that **Shuttles** feature the same old fashioned quality, made-in-Maine craftsmanship and enduring good looks as the NASA-approved adult version.

Like other Acorn products, **Shuttles** are designed to last, with a supple leather side and sole double lock-stitched to the sock, and a thermal foam innersole for warm, cushiony comfort. And best of all, they perform their foot warming magic just about anywhere...from the playpen to sock hops...at home, in the car, while visiting or at the campsite
